

B&C TRUCK CENTRE

Is accepting inquires for a permanent full time position within our company.
Open position is for a:

TRUCK / AUTOMOTIVE PARTS COUNTER PERSON

If you have truck and automotive parts handling knowledge and experience, and consider yourself an organized self-starter with above average enthusiasm, and willingness to advance yourself in a fast paced heavy truck and automotive environment then we are looking for you.

The Successful Candidate should have:

- Past experience working in a Heavy Truck and Automotive Parts environment with an advanced understanding of Heavy Truck Parts.
- Excellent communication and telephone handling skills
- Strong willingness and ability to work with others in a team environment.
- Highly refined computer skills (Past experience and knowledge of parts handling related computer software is an asset)
- Past experience with Mack Truck Dealer Systems would be a definite asset.

We Offer:

- Competitive Wage package based on experience.
- Comprehensive Benefit Package, including full dental and drug plan.
- Company Sponsored Retirement Package.
- Company Paid Sick Day Program.
- Company Supplied Uniforms.
- Comprehensive Continuous Factory Training.
- Pleasant Working Environment.

All inquires are accepted in complete confidence,
Please forward resume to:
