

# B&C TRUCK CENTRE

Is accepting inquiries for a permanent full time position within our company.  
Open position is for a:

## LICENSED TRUCK / AUTOMOTIVE SERVICE TECHNICIAN

If you are a licensed Truck and Coach and/or Automotive Service Technician, and consider yourself an organized self-starter with above average enthusiasm, and willingness to advance yourself in a fast paced heavy truck and automotive environment then we are looking for you.

### The Successful Candidate should have:

- Past experience with repair & maintenance of medium to heavy-duty truck.
- Excellent communication and organizational skills
- Strong willingness and ability to work with others in a team environment.
- Highly refined computer skills (Past experience and knowledge of automotive and truck related computer software is an asset)
- Past experience with a Heavy Truck Dealer Environment would be a definite asset.

### We Offer:

- Competitive Wage package based on experience.
- Comprehensive Benefit Package, including full dental and drug plan.
- Company Sponsored Retirement Package.
- Company Paid Sick Day Program.
- Company Supplied Uniforms.
- Comprehensive Continuous Factory Training.
- Pleasant Working Environment.

All inquiries are accepted in complete confidence,  
Please forward resume to:
